

HI
DAILY!
WHAT'S
NEW?

IVECO

NEW DAILY. GET SMARTER.

The Daily strides ahead once again in its evolution, introducing new adaptive and intelligent solutions to become your true companion in business success.

The new Daily AIR-PRO family breaks new ground with an industry first, the innovative pneumatic suspension with smart electronic controls, which is easily controlled by an ergonomic rotary switch in the cab, enhances your driving comfort, protects you and your load, and adapts to your work.

Daily enables you to interact vocally with your vehicle, so you can enjoy a safe, stress-free and comfortable driving experience while your business benefits from its greater efficiency.

The Daily continues to make advances in connectivity with a constantly expanding array of highly personalised services precisely tailored to your use of the vehicle and your requirements.

A favourite work companion for more than 40 years, Daily has always provided a first-class working environment. True to its heritage, it leverages technology to constantly adapt to you and the conditions of your job, raising your living and driving experience to the highest levels in the industry.

HI DAILY! WHAT'S NEW?

SUPREME COMFORT SEATS

- Memory foam seat, backrest and headrest
- Increased comfort and reduced fatigue
- New seat style and textile
- Redesigned side canteen and lever for easier exit
- Bigger seats that mould to the drivers shape

AIR-PRO SUSPENSION

- Easy control with intuitive switch and TFT graphics
- Continuous self-adapting balance strategy
- Roll angle reduction on bends for more safety
- Less vibration for comfort and stability
- < 10 seconds for lifting: fast load and unload operations

IVECO DRIVER PAL THROUGH AMAZON ALEXA

- The vocal driver companion
- Smart microphone enabling Amazon Alexa features
- Exclusive MYIVECO skill for vehicle status check, assistance & navigation
- MYCOMMUNITY skill enabling multi-language communication among drivers

OPTIMISED ENGINES

- 2.3- and 3.0-litre engine with up to 207hp
- Up to 15% torque increase
- Up to 6% fuel savings (WLTP, 2.3-litre)
- NOx reduced in Real Drive Conditions
- Exceed Euro 6 regulation requirements

NEW MANUAL GEARBOX

- Best-in-class for precision; free-play reduced by 50%
- No gearbox oil change
- Increased clutch durability (2.3-litre)
- Reduced shifting effort (on 3.0-litre models)

DRIVING EXPERIENCE AND PROFITABILITY

NEW MANUAL GEARBOX

Free play reduced by **50%**;
best-in-class shiftability and precision

No gearbox oil change for 350,000km

18% increase in clutch durability (on 2.3-litre engine)

Up to **20%** reduction in gear shifting effort
(on 3.0-litre engine)

OPTIMISED ENGINE LINE-UP

Up to **6%** fuel saving on 2.3-litre engine (WLTP cycle)

Up to **15%** torque increase for more
demanding applications

Conformity Factor 1. Exceeding Euro 5 regulation requirements

ENGINEERED TO PERFORM

Whatever your mission, with the Daily you get the job done efficiently. You have a choice of two highly fuel-efficient engines optimised for top performance in every assignment: the 2.3-litre engine with power ranging from 116 to 156hp, and the 3.0-litre engine, offered in 3 different power ratings from 160 to 207hp and torque up to 470Nm. The 3.0-litre engine is also available in Compressed Natural Gas (CNG) version.

2.3-litre F1A diesel engine with SCR

3.0-litre F1C diesel engine with SCR

3.0-litre F1C Compressed Natural Gas engine

The entirely redesigned after-treatment system with double SCR technology maintains the extensive body-fitting possibilities of previous models. It ensures Euro VI-E and Euro 6-D Final compliance with a Conformity Factor of 1 – which means compliance for life in real conditions – ahead of future regulations.

UP TO 6% FUEL SAVINGS

The Daily's engines stand out for their fuel economy: the 2.3-litre engine achieves savings up to 6% (WLTP cycle) through a 25% pressure increase (2000bar) in the common rail system to improve combustion efficiency, and new steel pistons with improved thermo-mechanic resistance.

	2.3-litre F1A engine			3.0-litre F1C engine			Euro VI-E Heavy Duty CNG*

PRECISION SHIFTING

The new manual gearbox offers an excellent driving experience with best-in-class shiftability and precision. Free play has been reduced by 50% compared to previous models. It requires no oil change for 350,000 km, further lowering the Daily's TCO. In addition, the clutch durability has been extended by 18% when coupled with the 2.3-litre engine.

The new FT 50.6 Manual Gearbox

STATE-OF-THE-ART SHIFTING COMFORT

New transmission shifter
Optimised synchronisation system

BEST-IN-CLASS FOR PRECISION

Specific feature in new transmission shifter system

IMPROVED EFFICIENCY

New bearings and sealings and enhanced lubrication system

NO OIL CHANGE for 350,000km

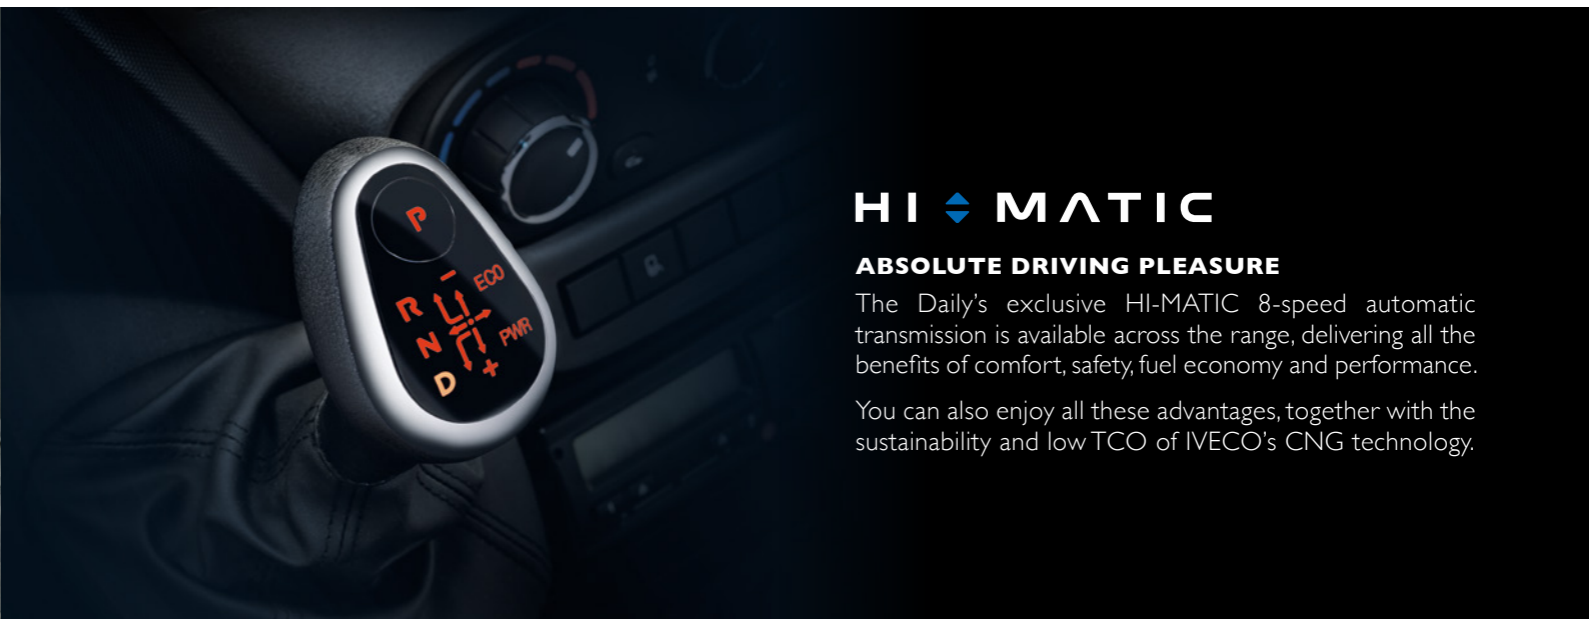

New fully synthetic oil

EXCELLENT TORQUE-WEIGHT RATIO (8.8Nm/kg)

Minimised weight and increased input torque

TORQUE INCREASE (+15%)

Vehicles with 2.3-litre engine up to 400Nm
+19% of max. breakaway torque up to 380Nm

HI-MATIC

ABSOLUTE DRIVING PLEASURE

The Daily's exclusive HI-MATIC 8-speed automatic transmission is available across the range, delivering all the benefits of comfort, safety, fuel economy and performance.

You can also enjoy all these advantages, together with the sustainability and low TCO of IVECO's CNG technology.

DYNAMIC INTELLIGENCE AND SAFETY

THE NEW AIR-PRO PNEUMATIC SUSPENSION

Easy operation with dedicated switch in the cab

Easy control with the graphics on the cluster

Lifting or lowering in less than **10"** facilitating loading & unloading

Always the optimal dynamic balance; adapted every **10** milliseconds

Vibrations reduced by up to **25%** on road surface disturbances

Roll angle reduced by up to **30%** when fully loaded

ASSISTED DRIVING AND SAFETY

AEBS and City Brake PRO

Queue Assist

Adaptive Cruise Control

Proactive Lane Keeping Assist

Crosswind Assist

Hill Descent & Traction Plus

NEW DAILY
AIR-PRO

THE INTELLIGENT SUSPENSION

The Daily's revolutionary AIR-PRO suspension continuously adapts to driving conditions and reacts almost instantly to road surface disturbances, providing a uniquely safe and smooth ride for you and your load.

A dedicated switch on the dashboard and new TFT graphics make it easy to manage the entire system at the touch of a finger.

YOU'RE IN CONTROL

DYNAMIC CONTROL

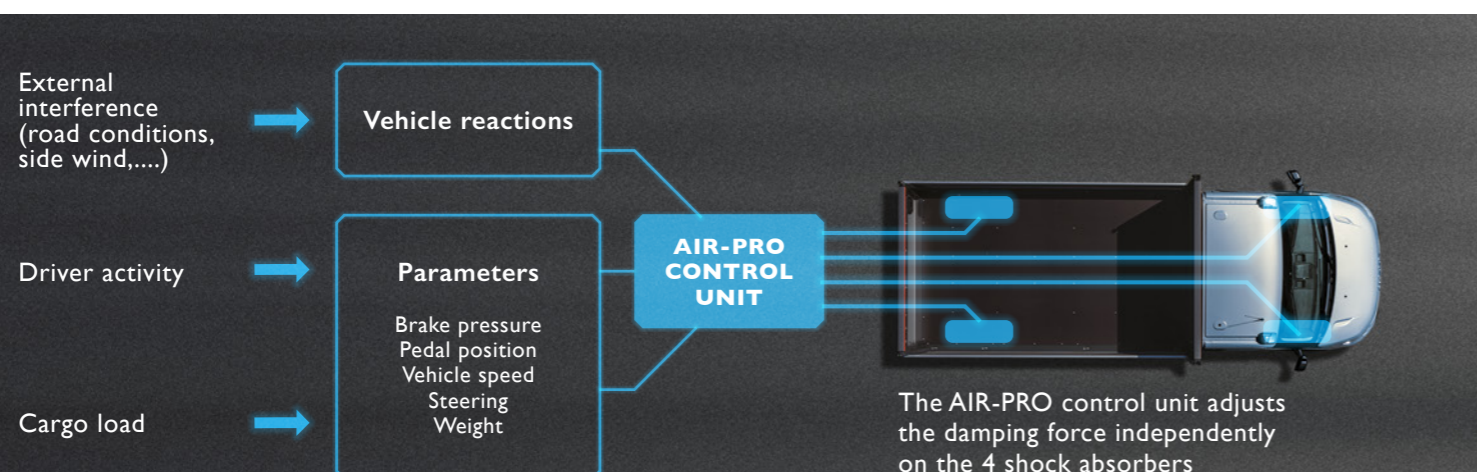

You choose how you want the suspension: a softer setting for a comfortable ride, or maximum roll control for top performance with a full load. You easily manage the intelligent system with the ergonomic rotary switch.

STATIC CONTROL

The new Daily AIR-PRO lowers and raises at the touch of a finger in less than 10 seconds, quickly adjusting the height for loading and unloading, so you don't waste any time.

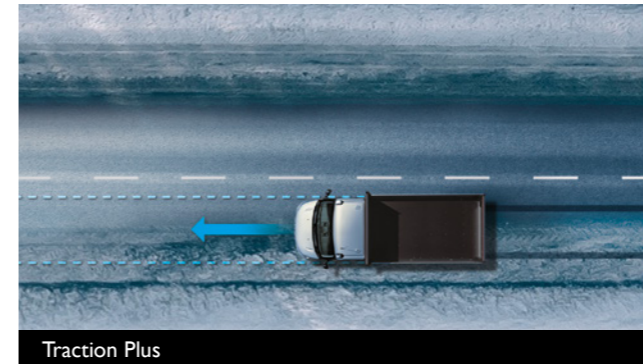

ADAPTIVE AIR-PRO STRATEGY

The unique AIR-PRO Continuous Damping Control (CDC) unit reacts almost instantly to road surface disturbances, calculating every 10 milliseconds the ideal pressure on each shock absorber to deliver the best dynamic reaction.

A SAFE, STRESS-FREE DRIVING EXPERIENCE

The Daily's Advanced Driver Assistance Systems help you in tricky situations and take the stress away when driving in heavy traffic. You enjoy the benefits of much reduced daily fatigue and greater safety.

Traction Plus

KEEP A FIRM GRIP ON SLIPPERY ROADS

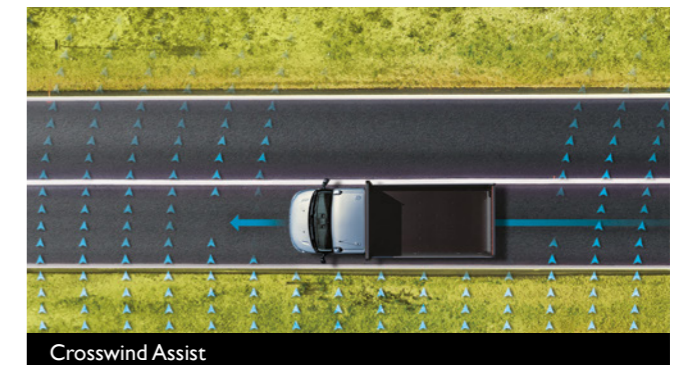

AEBS and City Brake Pro

AVOID COLLISIONS IN URBAN TRAFFIC

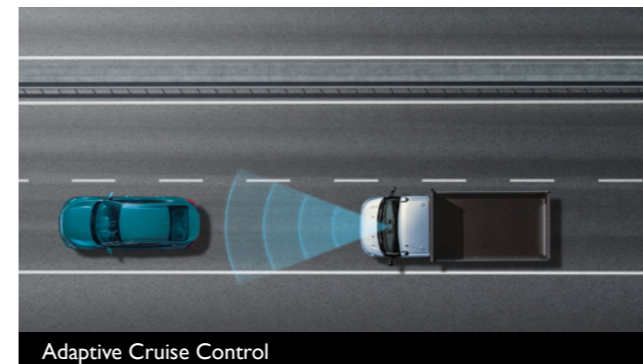

Proactive Lane Keeping Assist

ALWAYS STAY IN YOUR LANE

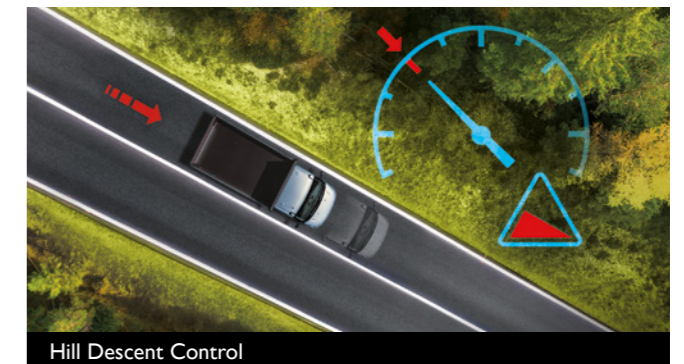

Crosswind Assist

REMAIN STABLE IN CROSSWINDS

Adaptive Cruise Control

CRUISE SAFELY ON THE ROAD

Hill Descent Control

DRIVE SAFELY DOWN STEEP SLOPES

Queue Assist

ENJOY STRESS-FREE HEAVY TRAFFIC

DAILY

DAILY

DAILY

SUPREME COMFORT SEATING

NEW SEATS

The first LCV with seat cushion, back-rest and head-rest in memory foam

30% reduction in pressure peaks results in greater comfort and lower risk of back pain

+ 15mm shape moulding foam on lateral elements improving safety and driving experience

20mm longer and **15mm** thicker front cushion provides better leg support

Complete redesign of the seat carter and levers, optimised for frequent exits in delivery missions

DESIGNED AROUND YOU

The new HI-ADAPTIVE seats are designed to adapt to the driver and passenger, providing the ultimate luxurious comfort on the longest working days.

The Daily is the first Light Commercial Vehicle featuring both seat and back-rest in memory foam, which spreads your weight evenly and reduces pressure peaks by up to 30%.

The head-rest, also in memory foam, absorbs more energy in case of collision, reducing the whiplash effect.

First designed for NASA airplane seats, memory foam is highly energy absorbent and soft; it moulds to the body, distributing body weight evenly and protecting against impact.

1. The central pads of the cushion and back-rest and the head-rest – all in memory foam – mould to your shape, providing supreme comfort and protecting you from back pain.

2. The foam of the side sections has been optimised in density and lengthened by up to 15mm to improve containment.

3. The front cushion, 20mm longer and 15mm thicker, provides better support for the legs of taller people.

4. The side carter and lever have been redesigned to make it easier for you to get in and out of the vehicle.

SUPREME SEATING COMFORT

Memory foam in the seat and back-rest and even the head-rest ensure maximum comfort.

EASY, CLEAR INTERACTION

The high-resolution colour display cluster provides a user-friendly, intuitive interface that makes it extremely easy to interact with your Daily and access all the key settings of your vehicle in real time.

PARKING COMFORT AND EFFICIENCY

The Electric Parking Brake automatically engages when parked and disengages when you are ready to drive away. A real time saver in urban multi-stop missions.

SUPERIOR DRIVING COMFORT AND ERGONOMICS

The Daily's steering system can be adjusted both in axial and angular position to set up the perfect driving position for better comfort and ergonomics.

SMOOTH, EFFORTLESSLY MANOEUVRABLE

The Electric Power Steering is very precise and reactive to the driver's inputs. The unique City Mode feature further reduces the effort required to steer by as much as 70%.

PRACTICAL WORKSTATION

The extractable table in the central passenger seat provides a practical support for doing paperwork.

CONNECTED COLLABORATION AND SERVICES

IVECO DRIVER PAL THROUGH AMAZON ALEXA*

Dedicated IVECO SKILLS to interact with your vehicle and your driver community

MYIVECO SKILL:

Get real-time information about the status of the vehicle

Request assistance in case of need

Set navigation system and get information during the journey

Get driving style tips to save fuel and travel safely

MYCOMMUNITY SKILL:

Communicate with other drivers safely

Get support and insights from the driver community

Overcome the language barrier with automatic translation

A WORLD OF CONNECTED SERVICES

Maximise your Daily's uptime with IVECO Control Room monitoring

Get remote diagnostics and perform over-the-air software updates with no downtime

Take advantage of Fleet Management Solutions

Monitor your driving style and check your safe driving score on line

*IVECO DRIVER PAL is available in the languages supported by Amazon Alexa

MEET IVECO DRIVER PAL YOUR VOCAL COMPANION

IVECO DRIVER PAL takes the driver's life on board to the next level, turning their vehicle into the perfect travel companion.

With IVECO DRIVER PAL, the driver can bring their digital life on board, interact vocally with their vehicle and the driving community and access IVECO's connected services through Amazon Alexa voice commands. They can enjoy a better driving experience, keeping their hands on the steering wheel and their eyes on the road!

VEHICLE HEALTH CHECK

"Alexa, ask MYIVECO the fuel level!"
"Alexa, ask MYIVECO the status!"

SETTING NAVIGATION

"Alexa, ask MYIVECO to find the nearest fuel station!"

ASSISTANCE ENGAGEMENT

"Alexa, ask MYIVECO to find a workshop!"
"Alexa, ask MYIVECO to book a workshop appointment!"

MORNING ROUTINE

"Alexa, ask MYCOMMUNITY to record a message!"
"Alexa, ask MYCOMMUNITY the messages nearby!"

IVECO has developed two unique Alexa skills (MYCOMMUNITY and MYIVECO) in collaboration with Amazon Web Services to help you work more comfortably and safely. Try the innovative IVECO skills dedicated to the driver's life on board and at home.*

DEDICATED IVECO SKILLS

MYCOMMUNITY

- The Driver Community
- Post your messages
- Listen to messages
- Different search options (nearby, along a route, near a place)

MYCOMMUNITY SKILL

INTERACT WITH THE DRIVER COMMUNITY

The exclusive MYCOMMUNITY skill enables you to rely on the support of the driver community. You can exchange information on queues or traffic jams, tips on the best rest stops on your route – and language is no barrier, as messages are translated automatically.

MYIVECO

- Vehicle status
- Assistance request
- Diagnostics warnings explanation
- Point of Interest search
- Navigation
- Driving score

MYIVECO SKILL

ENJOY THE EXCLUSIVE CONNECTED COLLABORATION OF IVECO DRIVER PAL

IVECO DRIVER PAL, coupled with the Connectivity Box, allows you to check battery charge, tyre pressure, fluids levels, as well as setting a destination on the navigation system or booking a service stop at the nearest IVECO workshop. You will enjoy a truly collaborative relationship with your vehicle!

WELCOME TO IVECO'S WORLD OF CONNECTED SERVICES

Your Daily's connectivity opens up the world of IVECO ON integrated services and transport solutions designed to make your life easier and your business more profitable.

MAXIMISE YOUR DAILY'S UPTIME

Your Daily is connected to IVECO's Control Room, which constantly monitors its performance and through remote telediagnosics can take preventive actions to keep your vehicle on the road.

OPTIMISE YOUR FLEET'S EFFICIENCY

Monitor your Daily in real time from your desk or on the move with MYDAILY and plan its service to maximise efficiency; use the Smart Reports to take good care of your vehicle and save fuel.

EASY DAILY APP

The new IVECO ON Easy Daily app is designed to make your life as an IVECO Daily driver easier. You can use it to view your Driving Style Evaluation tool, activate the IVECO Assistance Non-Stop, and access remotely your vehicle's diagnostics information. Simple.

MANAGE YOUR FLEET EFFORTLESSLY

You can take advantage of the Daily's comprehensive Fleet Management Solution or use your own system, which will interact seamlessly with the vehicle's Web API interface.

TECHNOLOGY AT YOUR SERVICE

INTUITIVE INTERACTION

- High-resolution colour display cluster
- Clear and user-friendly interface
- Intuitive navigation of key settings
- Easy access to information

REAL-TIME TYRE PRESSURE MONITORING

- Pressure data display on cluster
- Maintain optimal tyre pressure
- Drive safely and save fuel
- Available on single- and twin-wheel models

MYIVECO INFOTAINMENT SYSTEM

- Clear display with 7" Screen
- DAB radio
- Driving Style Evaluation
- Mobile device mirroring
- Rear camera display

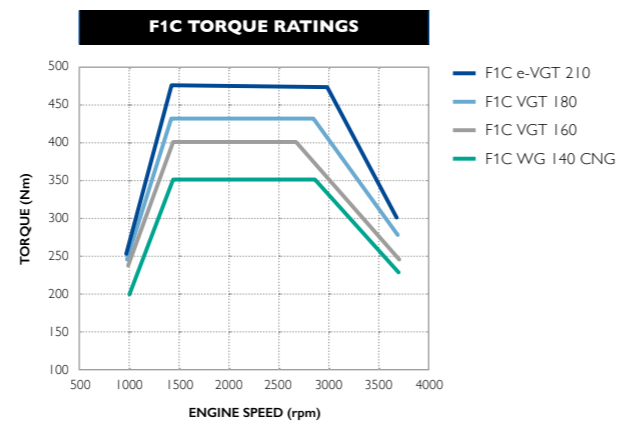

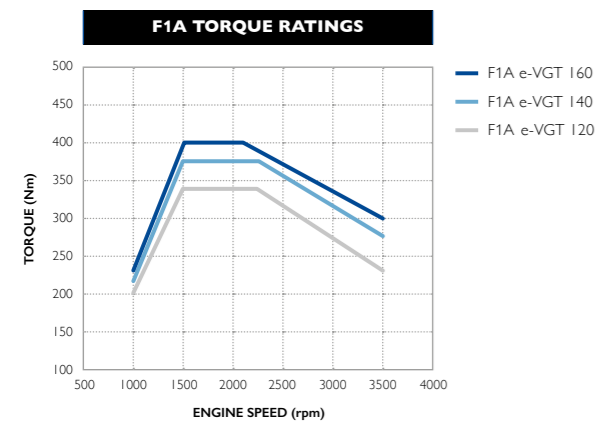

MYIVECO INFOTAINMENT WITH TOMTOM®

- Truck navigation
- Live traffic
- Speed limit warnings
- Speed cameras
- Voice commands

POWER YOUR AMBITION

With the Daily's wide engine line-up, you choose the performance that fits your mission. You know you will have the power, traction, load carrying capacity and quick response to get the job done efficiently – and you will enjoy low total cost of ownership. All you need to fulfill your biggest ambition.

e-VGT: Electronic Variable Geometry Turbocharger; VGT: Variable Geometry Turbocharger; WG: WasteGate; CNG: Compressed Natural Gas

UNLEASH YOUR DRIVE

Whatever your mission, the Daily has the perfect vehicle for you. With the widest line-up in the industry and extreme customisation potential, you will find the Daily you need to drive the growth of your business.

GROSS VEHICLE WEIGHT

CHASSIS CAB

3.5 - 7.2t

CREW CAB

3.5 - 7t

CHASSIS COWL

3.5 - 7.2t

TOUGH FOR THE MOST DEMANDING JOBS

With Daily, you get the most demanding jobs done fast and efficiently. From the unique body-on-frame chassis, truck-derived driveline and high-performance front suspension, the Daily is built to carry the heaviest payloads with ease, completing the job with fewer trips. You save time, improve your profitability and respect the environment.

BEST-IN-CLASS PERFORMANCE FOR LIFE

You know you can rely on Daily to deliver its best-in-class performance day in day out, year after year. With its advanced transmission and high-efficiency engine, it is engineered to deliver fuel efficiency and low TCO, adding value to your business right up to the end of its long life.

NEW DAILY AIR-PRO

ADAPTS TO YOUR NEEDS

The new Daily AIR-PRO family supports you in loading and unloading operations. With a click on the button you can lift it to reach high loading docks or lower it to make it easier to move your load.

IMPROVED HANDLING AND STABILITY

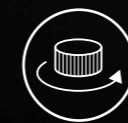

MAXIMUM CONTROL ON BENDS

You negotiate bends and sharp turns easily and safely, even when carrying a full load, as the intelligent suspension reduces the roll angle by up to 30%.

SUPREME COMFORTABLE RIDE

The new Daily AIR-PRO provides a remarkably smooth and quiet ride, with vibrations significantly reduced by 25%.

DYNAMIC CONTROL

Intelligent and adaptable optimisation of handling and comfort with the AIR-PRO Continuous Damping Control strategy, a unique feature in light commercial vehicles.

LOAD

Optimises handling, rolling and set-up when fully loaded

AUTO

Self adapting parameters

SOFT

Optimises the driving experience when unloaded, minimising vibrations

STATIC CONTROL

The new Pneumatic suspension is easily controlled with the buttons in the upper part of the switch. The new AIR-PRO pneumatic suspension has a dedicated Air Tank for quick lifting (less than 10"), and fast loading and unloading operations.

UP

One click to lift the vehicle to its maximum height

DOWN

Lower the chassis to facilitate loading/unloading

D-DRIVE

Set the optimal driving settings for a quick restart

M-MEMORY

Memorise and recall a specific height level

DAILY HI-MATIC ABSOLUTE DRIVING PLEASURE

IVECO's **8-speed automatic gearbox** is designed to provide absolute driving pleasure: with the ergonomic multifunctional shift lever you are **fully focused on the traffic and driving conditions**, so you enjoy greater safety while driving comfortably.

Enjoy the legendary durability and reliability of the Daily with a solution that protects the engine and the driveline reducing maintenance requirements.

Choose from the extra wide engine offering. The Daily HI-MATIC offers an extensive engine line up, with two displacements of 2.3-litres and 3.0-litres and horsepower ranging from 136 to 207, providing a solution for every mission.

Sustainable driving pleasure powered by Compressed Natural Gas (CNG). The HI-MATIC absolute driving pleasure is available across the Daily CNG range, offering all the performance, efficiency and comfort benefits of the Daily HI-MATIC together with the sustainability and low TCO of IVECO's natural gas technology.

Benefit from the Daily HI-MATIC's exceptional fuel economy with a choice of **ECO and Power Modes** and the **Start & Stop** feature, standard on the 2.3-litre engine. The transmission's self-adaptive shift strategy ensures the correct gear is engaged smoothly in less than 200 milliseconds. The wide ratio spread means the engine is always running in the optimal gear.

DAILY CNG

SUSTAINABILITY CHAMPION

Your green transport business has the perfect vehicle in the Daily CNG – whatever your mission.

Free your business from the constraints of environmental regulations to make unlimited deliveries and access jobsites in city centres and high-traffic areas.

Shrink your carbon footprint with near-zero CO₂ emissions by fueling your Daily CNG with biomethane.

Power up your business with the powerful and responsive performance of the 136hp and 350Nm torque of the 3.0-litre CNG engine.

DAILY HI-MATIC CNG: SUSTAINABLE, ABSOLUTE DRIVING PLEASURE

Break new ground in comfort and sustainability with the first Natural Gas-powered vehicle in its class with an 8-speed automatic gearbox.

Boost your fuel economy by combining the HI-MATIC transmission and CNG engine.

	POWER	TORQUE	CHASSIS CAB & VAN					MINIBUS		
			Single wheel	Twin wheel				50C	65C	
DAILY CNG	136hp	350Nm	35S	35C	40C	50C	65C	70C	50C	65C

DAILY CREW CAB: YOUR TEAM, YOUR JOB

The Daily Crew Cab is the ideal solution for transporting people and cargo safely, comfortably and efficiently. You can choose a three- or a four-seater bench, equipped with 3-point safety belts and functional headrests.

The Daily Crew Cab benefits from additional storage in the headliner at the front of the cab and multiple easily accessible storage compartments in the bench and in the sidewall.

The Daily Crew Cab is available in 3.5-tonne GVW version, single or twin wheel.

DAILY 4X4: ALL-TERRAIN DELIVERY

You can rely on the Daily 4x4 to take you to your destination, however hard to reach, comfortably and safely – no delivery is too difficult, no jobsite is too remote.

Whatever your mission, you're set with the on- and off-road versions with GVW up to 7.0t.

Reach the most remote locations safely with a host of safety features, including the ABS and ESP specifically developed for the Daily 4x4.

Rely on a strong grip with the three locking differentials, which ensure perfect traction in every situation.

Enjoy absolute driving pleasure with the HI-MATIC transmission and effortlessly climb steep slopes in comfort by engaging the low speed ratio.

DAILY 7 TONNE: A MATCH FOR EVERY APPLICATION

If you want more – more payload, more fuel savings, more comfort, more safety, more driveability – the Daily 7 Tonne is the vehicle you need. With a Gross Vehicle Weight of up to 7.2 tonnes, it is the strongest vehicle that carries the biggest payload in its category: up to 4.9 tonnes. The 3.0-litre heavy-duty engine and exclusive HI-MATIC 8-speed automatic gearbox deliver a powerful performance and significant fuel savings. The truck-like solid steel load-bearing chassis, long wheelbase up to 5100mm and body length up to 6750mm, translate into extreme versatility in tailoring it to your needs. What's more, all this comes with the best driving experience, comfort and safety. This is a unique vehicle that will deliver high returns on your investment year after year.

OPTION PACKS

CONFIGURE YOUR DAILY

Create the exact model you need for your business by picking the pack of options that meet your specific requirements.

You can choose from the well-appointed BUSINESS pack, the EVOLUTION pack if you are looking for more comfort or the top-of-the-range CONNECT pack with all the connectivity features.

Customise your Daily with the WINTER pack if you work in a cold climate zone, or choose from the DELIVERY URBAN, DELIVERY REGIONAL and CONSTRUCTION pack that best matches your job.

DAILY DRIVEAWAY - FULLY-BODIED VEHICLES READY FOR IMMEDIATE DELIVERY

IVECO offers a complete range of fully-bodied vehicles ready for immediate delivery - vehicles that you can count on to support your business, whether that be construction or parcel delivery with a guarantee of a high quality body for every application allowing you to focus entirely on your everyday job.

IMMEDIATE AVAILABILITY

An integrated and versatile offer that enables you to find a road-ready solution (vehicle + body) at your dealership ready to DriveAway. Subject to availability.

GUARANTEED QUALITY

Operate your vehicle with complete peace of mind, knowing that IVECO is working with a select range of bodybuilder partners offering the same quality standards as adopted by IVECO itself.

FULL RANGE OF BODIED VEHICLES

Daily DriveAway makes available a full range of conversions to meet your business needs including Curtainside, Box, Luton, Tipper and Dropside variants.

COMPLETE ASSISTANCE

IVECO's extensive service network across Europe offers complete assistance on all body work fitted on IVECO Daily vehicles.

With a wide variety of DriveAway body options available your local IVECO dealer will be pleased to discuss your business requirements.

OPTIONS

TAILOR YOUR DAILY TO FIT YOUR JOB

MYIVECO INFOTAINMENT

Bring your digital life on board with Apple CarPlay and Android Auto™, and enjoy your apps on the user-friendly infotainment system with 7" Screen, DAB radio, navigation system and much more.

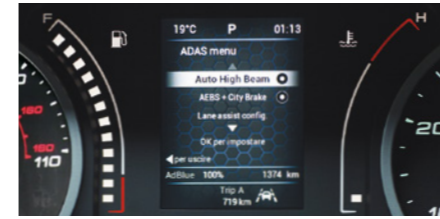

CONNECTIVITY BOX

Keep your Daily on the road with remote diagnostics, proactive maintenance and optimal service planning. Access a world of new services such as personalised maintenance plans and vehicle data management through MYDAILY web portal & App.

DAB RADIO

Enjoy all the functionalities of the Digital Broadcasting Radio with high speed dual tuner and voice recognition. Connect your smartphone with Bluetooth® so you can drive safely while making hands-free calls.

AEBS AND CITY BRAKE PRO

The Advanced Emergency Braking System detects a potential collision ahead and brakes autonomously to prevent or mitigate an impact. In busy city traffic, the City Brake PRO helps you avoid low-speed collisions.

ADAPTIVE CRUISE CONTROL AND QUEUE ASSIST

The ACC system maintains the cruising speed and keeps a constant distance from the vehicle in front. In city traffic, the Queue Assist eliminates the stress from continuous stop and start.

PROACTIVE LANE KEEPING ASSIST

The Proactive Lane Keeping Assist helps the driver to keep the vehicle within the line by applying a stroke on the steering when the vehicle involuntarily drifts out. The distance from the lane and the stroke intensity are settable in the menu.

OPEN COMPARTMENT WITH INDUCTIVE CHARGER

Ensure your mobile device always has a full battery: place it on the useful inductive charger next to your paperwork in the storage compartment integrated in the dashboard.

TABLET HOLDER

The useful tablet holder on the dashboard can safely keep in place mobile devices of all sizes. It can also be used as a practical clipboard to keep your paperwork in place.

ELECTRIC PARKING BRAKE

The new Electric Parking Brake automatically engages when parked and disengages when you are ready to drive away. Get rid of the hand brake lever; free up space and move across the cab easily.

IVECO DRIVER PAL

IVECO DRIVER PAL is the on-board vocal and digital companion designed to make the driver's life safer and more productive by interacting with the vehicle with their voice via Amazon Alexa.

FULL LED HEADLIGHTS

The sharper beam of the LED lights carries further, improving your visibility and obstacle perception by 15%. You will also save on maintenance as the LED lights have extremely long life.

TYRE PRESSURE MONITORING SYSTEM

The TPMS monitors the pressure of each tyre in real time so they are always at optimal level, improving your safety and fuel efficiency. Available on both single and twin-wheel models, a first in the industry.

AIR CONDITIONING WITH MANUAL OR AUTOMATIC CONTROL

Maintain a pleasant temperature in the cab with the Daily's air conditioning system. Choose from the efficient manual control or the automatic climate control that optimises the use of the compressor, reducing energy consumption.

WEBASTO INDEPENDENT HEATER

Cold starts are a thing of the past with the Webasto independent heater: set the timer to preheat the engine and the CAB, and step into your pleasantly warm Daily van when you are ready to go.

LEATHER STEERING WHEEL

Enjoy the luxurious feel of the leather steering wheel on your long days at work with all the controls at your fingertips. No distractions, no effort.

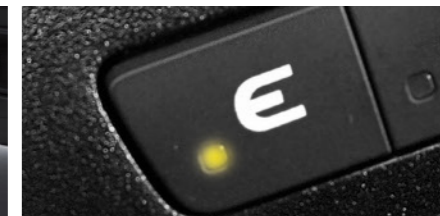

TELMA® ELECTROMAGNETIC RETARDER

The Telma® LVRS600 electromagnetic retarder delivers a braking torque of 350Nm, with full compatibility with the ESP system. Available also on the Daily HI-MATIC family, it provides up to 80% of vehicle braking needs.

ALLOY WHEEL

Alloy wheels, the perfect combination of function and style, are so light that they increase the useful load by 10kg. Only available for single wheel versions.

ECOSWITCH PRO

The intelligent EcoSwitch PRO system knows when to step in without intervention from the driver, reducing fuel consumption and further lowering the emissions generated by your Daily.

SUSPENDED SEATS

The suspended seats, also available heated, offer extra comfort for both driver and passengers.

PREMIUM HEADREST

Drive in safety and comfort with the new premium textile foam headrest.

PASSENGER BENCH WITH EXTRACTABLE TABLE

Use your laptop and do your paperwork on the practical extractable table.

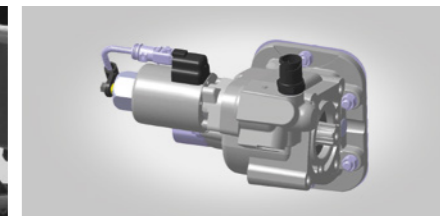

EXTRA LONG REAR VIEW MIRRORS

The extra long rear view mirrors guarantee maximum visibility for long vehicles with big bodies fitted.

REINFORCED REAR SUSPENSION

The wide choice of reinforced rear suspensions, which includes parabolic, parabolic reinforced and semi-elliptic springs, enhances the vehicle's strength in the most demanding missions.

POWER TAKE OFF

The new 6-speed manual gearbox is available with a PTO, which is engaged with a solenoid coupling that improves efficacy and durability. The Daily 4x4 features a PTO on the transfer box and offers 4 types of linkages for a full range of applications.

LINE UP

CHOOSE THE RIGHT DAILY TO SATISFY YOUR BUSINESS NEEDS

The Daily offers the widest model range in the industry, with as many as 8000 factory versions to choose from. They combine the different wheelbases and power ratings, to match a broad spectrum of applications. The Daily was born to serve the transport professional and has followed its sound business instinct throughout the years, anticipating the evolution of the industry and expanding the range to meet the increasingly wide variety of requirements.

IVECO ON IS THE NEW WORLD OF INTEGRATED SERVICES AND TRANSPORT SOLUTIONS.

The services offered under IVECO ON are organised in five clusters:

- **FLEET**, for efficient fleet management through fuel consumption and driver monitoring, mission planning, route optimisation and order dispatch.
- **UPTIME** to keep the vehicle on the road, avoiding unforeseen breakdowns and providing roadside assistance.
- **CARE** specific vehicle monitoring and reporting, and the assistance of your IVECO DRIVER PAL voice companion will leave you free to focus entirely on your work with no worries while on the road.
- **REPAIR AND MAINTENANCE** for specialised assistance with a choice of tailored service contracts.
- **PARTS** with original IVECO parts and accessories to choose from to enrich any IVECO vehicle.

SMART PACK

The **SMART PACK** offers the benefits of IVECO ON CARE and IVECO ON UPTIME provided with the following services:

SMART REPORT: the Driving Style Evaluation (DSE) algorithm generates weekly reports on the vehicle's and driver's performance with tips on how you can improve the driving style for fuel and vehicle optimisation.

SAFE DRIVING REPORT: together with the Smart Report and thanks to the Driving Style Evaluation, you will now receive this new report that will allow you to measure your safety on board.

IVECO ON CUSTOMER PORTAL AND APP: they enable you to monitor your vehicle's fuel consumption and your driver's driving style in a dynamic way, so you can identify how to optimise your fleet's performance.

You can also plan and book service appointments efficiently to maximise uptime.

VEHICLE MONITORING AND REMOTE ASSISTANCE: the proactive approach enabled by the remote diagnostics tool, teleservices and over-the-air software updates will anticipate possible faults, maximising your vehicle's uptime.

PREMIUM PACK

The **PREMIUM PACK** offers all the services included in the SMART PACK, plus the full benefits of IVECO ON CARE, UPTIME, FLEET and R&M. It guarantees a follow up on the vehicle information received by putting you in contact with IVECO experts who will advise you on the best way to use it.

FLEET MANAGEMENT helps you monitor your vehicles' fuel consumption and your drivers, as well as planning their day-to-day activity, optimising routes and dispatching orders. Increase fleet administration capabilities through insights on driver's workdays and geolocation.

IVECO WEB API: the Application Program Interface allows flexible data integration in your own systems and facilitates the management of IVECO-generated data together with that of other brands' vehicles in a single tool.

PAY PER USE: you pay the R&M contract fee when you subscribe. At the end of the contract, you receive a refund for the services you haven't used, based on your actual mission and kilometres covered. You only pay for your real time usage.

SAVE MONEY, IMPROVE YOUR PERFORMANCE and SIMPLIFY YOUR WORK with the connectivity solution that is the best match to your requirements.

ENHANCE YOUR DAILY EXPERIENCE

Accessories help you in personalised your workplace «in movement» making you feel at ease in every situation. Customise your Daily enhancing technology, comfort, safety, and efficiency thanks to IVECO full range of accessories fully designed for it.

COLLABORATION & TECHNOLOGY ON BOARD

Integrate your mobile workstation with the most up-to-date technology. The new Wi-Fi Apple and Android CarPlay System is a smarter, safer way to use your phone while you drive. You can get directions, make calls, send and receive messages, and enjoy your favorite music. All on your built-in new 9" display which can be matched with reversing cameras to have a complete system for both VAN and CAB.

The smartphone cradle perfectly fits the dashboard and thanks to the Qi technology you can wirelessly recharge your smartphone.

DRIVING EXPERIENCE & PROFITABILITY

Choose from a great set of accessories to improve vehicle efficiency. The new wiper blade system with Aquablade technology is a flat blade with integrated washing function that distributes fluid on the windshield all along the blade for a more efficient and precise cleaning.

A 100% LED light with the advantage of being able to be installed both on the left and right side, simply by turning the lens.

ALWAYS SAFETY

A tailor-made presence detection system developed and tested with engineering allows you to perceive the presence of an obstacle in the blind spot. The system continuously detects the presence thanks to radars positioned under the rear bumpers and alerts the driver with a display positioned inside the cabin.

New illuminated side protection bars, made of stainless steel prevent damage to the side of the vehicle and chassis. The doors can still be opened even after lateral impact.

FITTING YOUR MISSION

Complete your vehicle dressing, externally and internally, by choosing from a wide range of luggage racks made of lightweight corrosion-proof aluminum that are easy to install. Add to the rack a tube holder, beacon holder and floor platform for the best versatility.

To keep the cab in the best condition you can choose the most suitable floor mats and seat covers for your mission.

IVECO GENUINE PARTS will keep your Daily running reliably during its long years at your service - and cost efficiently. The wide offering ranges from new and remanufactured parts to servicing kits and telematics solutions. IVECO operates a network of 6 Parts depots and uses advanced technologies to guarantee 24/7 deliveries across Europe.

IVECO

Assistance Non-Stop

IVECO ASSISTANCE NON-STOP is just a phone call away 24 hours a day, 7 days a week to keep your Daily and your business running.

IVECO NON-STOP is the original IVECO smartphone application that you can use to communicate with IVECO if your vehicle breaks down. Just insert your vehicle information (VIN and registration plate) and with a simple push of a button you can send a request for assistance to the IVECO Customer Centre. We will take care of your request immediately, activate the nearest workshop and follow up on the vehicle's repair. Through the app you can receive updates on the progress of your vehicle's assistance.

IVECO CAPITAL

IVECO CAPITAL is the captive financial services brand of IVECO, and offers a full range of financing and leasing for commercial vehicles, including the financing of extended warranty product.* The finance profiles can be tailored to meet the needs of the customer and apply to new, used and conversions. For more information, please contact your IVECO dealer.

*Extended warranty can only be included when financed at the same time as the vehicle.
